Re: T.E. v. Pine Bush Cent. Sch. Dist., 12-CV-2303(KMK)(PED)

Your Honor:

We are co-counsel with Hogan Lovells US LLP and Kaufman, Borgeest & Ryan, LLP representing the Defendant, Pine Bush Central School District ("District"). In response to your Order, dated November 27, 2018, we are informing you of the following conditions that have been agreed to by the parties regarding plaintiffs' request to unseal the redacted and anonymized survey results administered by the District during the 2017-2018 school year:

- By January 31, 2019, the District will provide a comprehensive report of its efforts to comply with the injunctive relief agreed to in Exhibit 1 of the Settlement Agreement that was entered into on or about June 9, 2015. That report will include, but not be limited to the statistical data in question nos. 1-17 from the March 2017 and October 2018 survey administered by the District to its students at the Pine Bush High School, Crispell Middle School and Circleville Middle School.
- While the parties agree that all of the anonymous comments in response to question no. 18 of the two previous surveys from March 2017 and October 2018 will remain redacted to ensure and protect the confidentiality of the students who responded to that question as promised to them by the District, the comprehensive report will incorporate and contextualize some of those comments, which identified alleged examples of anti-Semitic behavior and the District's efforts at how it has combatted such behavior.

- Plaintiffs will have an opportunity to respond in writing to the District's comprehensive report no later than February 28, 2019, in which they, *inter alia*, can also incorporate and contextualize the comments.

The Plaintiffs' counsel are in agreement with these conditions.

Respectfully yours,

Daniel Petigrow
